THE SHIP WITH THE ROOFTOP LOUNGE

Allow us to introduce: Event ship 2! For three months we sanded, built and upholstered — with a lot of heart and soul. Now the sister of event ship Gustav is ready and the newest member of the Hauptstadtfloß family.

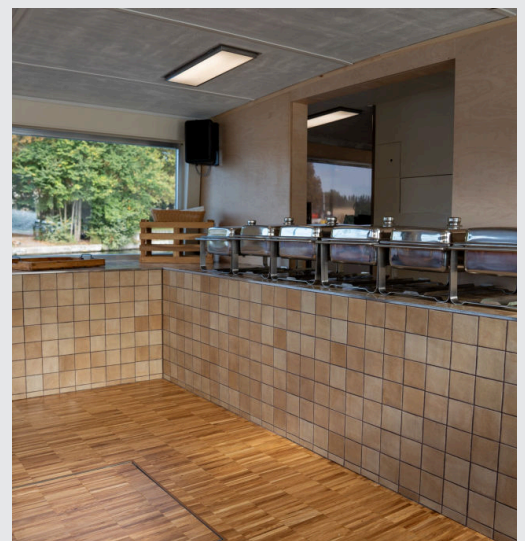

The highlight is right at the top: a cruising lounge terrace like no other on the Spree. Cognac-coloured leather sofas, oleanders in terracotta pots, rugs underfoot, little lamps on every table and cosy blankets for the evening — a real rooftop feeling while Berlin glides past.

Inside, light parquet flooring, leather sofas, elegant marble tables and large windows all around await you. Warm, bright and really cosy — heated and air-conditioned, so bookable all year round. In the panorama salon at the front you enjoy all-round views of the water.

Wedding, birthday, company party, conference or Christmas party: a private bar, the buffet right on board, the sound system and two modern toilets ensure comfort throughout the trip.

You charter Event ship 2 with captain, deckhand and service staff who take care of your event on board. Culinary delicacies and pre-chilled drinks can be ordered separately in advance to suit your taste. Departure is from the Oberbaumbrücke or from many other jetties all over Berlin.

Bright, warm and Mediterranean on Event ship 2, or green, dark and cosy on Gustav — two ships, two moods, one goal: your best event on the water.
